

Hosting with a Mary Heart Prayer

Dear Lord I thank you for the relationships You have blessed me with and the opportunity to both learn and teach Your Word and ways. Help me to be love to those around me as a living testimony of Your wisdom, grace and mercy.

Help me please to always be a worshipper so You are modeled in my everyday conversations and the choices I make. May my family and friends see me keep my early morning time with You as a priority and know that I have been with You as they hear the words from my mouth throughout the day.

Fill me to overflowing with Your grace and mercy so that I may be a vessel for You to pour Your love out of me for everyone I come in to contact with. Help me learn to rest and abide in You knowing You have wisdom of the ages to impart to me as I keep my time for the most important thing – love of You and time with You.

Please make me into the person You most desire me to be so that You can love them through me in extraordinary ways. Make me a beacon of Your hope, light and a teacher to impart Your best scripture into whatever situations they or we are facing. A living testimony.

Unify us through Your love and gentle answers. When time is short and demands are high please draw us to You to renew our strength for we can do all things through Christ who strengthens us.

Open our eyes to the wonder of Your creation all around us and give us insight to the things those we love need most. Help our love of You and Your love of us be so evident in everything we do and say that those around us want to know You. And help us make that introduction to You through the words Holy Spirit puts within us as You gently prepare their hearts and draw them to You Jesus for revelation knowledge and refreshing. Help us stop and listen for Your leading and may we ever lift Your Holy name in praise giving You all the glory forever and ever. Amen.

From the heart with all praise to the Father, Son and Holy Spirit,

Donna Turpin
