| <b>* As of 8/26/2016.</b> We realize this is just the tip of the iceberg of how PLP Ministries NFP messaging on Christian love and praise could be used. We also recognize that the demand and request to meet needs will probably always exceed the set aside quantity we make available for donation with each publication. The Regular Tithe and other Giving Back programs have been established in obedience to God. As good stewards we are also responsible to produce fruit and grow the ministry. We trust you will understand the parameters we must work under and be blessed to be a blessing as you partner with us to share the good news and shine the light of Jesus to give hope both now and eternal. |
